Luxury Design Flooring

## KINGS LYNN INNOVATION CENTRE

**The client specified Luvanto Black Ash for multiple heavily trafficked areas within the Kings Lynn Innovation centre.**

"The experience was excellent in dealing with QA Flooring. The Client had lots of queries regarding the product and the response from QA was always accurate and prompt which gave me confidence in the product and the team behind it.

The floor looks fantastic.

I am happy with the final outcome and will definitely specify Luvanto in the future."
